

Tennis Brisbane Super Grade, League, Junior League & Green Ball

Registration Form

Season 2, 2018

Thank you for choosing to represent Matchpoint Tennis in this season's Tennis Brisbane Super League, Junior League or Green Ball League inter-club fixtures competition!

As part of this competitive fixtures program you will be competing on a weekly basis against other like-minded keen and competitive tennis players from several tennis clubs around North Brisbane and Brisbane City areas.

Weekly matches for Super League consist of 2 x players who each play 2 x sets of singles against either 1st or 2nd player from the opposing team, followed by 1 x doubles set against both players from the opposing team. Junior League match format is yet to be confirmed but will consist of 3 x sets per player. Green Ball consist of 2 x players who each play 1 x set of singles and 1 x set of doubles. All scores are collected at the end of each week's matches and sent to Tennis Brisbane. The results are uploaded onto the Tennis Brisbane website throughout the season for teams to access and keep track of their progress. Semi-Finals and Finals events are held in the last 2 weeks of the season with a trophy being awarded at the finals.

Please read the 'Rules for Team Members' section and complete the attached form and return it to Matchpoint Tennis North Lakes by **FRIDAY 9th JUNE**.

We look forward to you joining us this season!

Rules for Team Members

Registration:

Super League, Junior League and Green Ball Leagues are team events with a minimum of 2 players required for each team. Players are encouraged to enter with their friends as a team, however individual registrations are also welcome and team mates of a similar standard will be allocated to you.

Season:

The season will commence from **Saturday 21st July 2018** with matches scheduled by Tennis Brisbane every week.

Cost:

Cost of team entry is \$160.00. This amount can be split \$80.00 each per person x 2 player team; \$53.50 per person x 3 players or \$40.00 per person x 4 players. It is recommended to have a least 3 players in each team so players can rotate each week.

Fill-in Player & Forfeit procedure:

Teams are required to find their own fill-in player if they are unable to play. Matchpoint Tennis holds a list of fill-in players that teams will have access to if they need help finding a player. It is the responsibility of the team to contact these fill-in players and provide the fill-in player with the necessary information to compete such as explaining format, cost and location. At Matchpoint Tennis we do everything we can to ensure no match is forfeited through the season due to a player being unable to play. If we / you cannot find a suitable fill-in player then the match will be forfeited. As per Tennis Brisbane Super League Rules, if this happens the forfeit fee is the total team match fee, either \$92.00 for Super League or \$64.00 for Junior League. The unavailable player scheduled that forfeits the match will then be liable for the forfeit fee.
